

5 Day luxury Safari to Lake Manyara, Serengeti & Ngorongoro Crater

Arrival- Arusha

You will be met on arrival at Kilimanjaro Airport or Arusha Airport by our representative. Transfer to **Outpost Lodge** for dinner and overnight **HB**.

Day 1- Lake Manyara National Park

After breakfast the tour departs. First stop is Arusha Town for any last minute purchases before we head off on safari to Lake Manyara. Lake Manyara National Park offers breathtaking views and a large variety of habitats. Acacia woodlands, water forests, baobab strewn cliffs, algae-streaked hot springs, swamps and the lake itself. And thanks to this the small Park is able to support a large number of animal species and incredible bird life. Manyara has the largest concentration of baboons anywhere in the world and the lions here are also renowned for their tree climbing. Dinner and overnight at **Ngorongoro farm house. FB**

Day 2 and 3- Serengeti National park

After breakfast, depart for Serengeti National Park, via the beautiful high lying farmland of Karatu and the Ngorongoro Conservation Area. Leaving the highlands behind, we descend into the heart of wild Africa – the Serengeti National Park – with its endless plains, rolling into the distance as far as the eye can see. Then heard to the central park area, known as the Seronera area, one of the richest wildlife habitats in the park, featuring the Seronera River, which provides a valuable water source to this area and therefore attracts wildlife well representative of most of the Serengeti's species. Arrive in time for lunch and enjoy an afternoon game drive in the Serengeti national park. Dinner and overnight at **Serengeti Kati Kati Tented Camp for 2 nights.**

Day 4-Serengeti National Park – Ngorongoro Crater

Early morning game drive and after depart to Ngorongoro Conservation area. Which is a 2 – 4 hrs drive we will stopover at Olduvai Gorge, boasting with a history dating back to the dawn of time. It was here, that the anthropologists Drs. Lois and Mary Leakey discovered the skulls of 'Nutcracker Man' and 'Handy Man', both very significant links in the chain of human evolution late afternoon transfer to **Ngorongoro Rhino Lodge** where you will have dinner and overnight

Day 5-Ngorongoro Crater – Arusha – Airport

After an early breakfast, you will descend over 600 meters into the crater to view wildlife. Supported by a year round water supply and fodder, the Ngorongoro conservation Area supports a vast variety of animals, which include herds of wildebeest, zebra, buffalo, eland, warthog, hippo, and giant African elephants. Another big draw card to this picturesque national park, is its dense population of predators, which include lions, hyenas, jackals, cheetahs and the ever-elusive leopard, which sometimes requires a trained eye to spot. We will visit Lake Magadi, a large but shallow alkaline lake in the southwestern corner, which is one of the main features of the crater. A large number of flamingos, hippos and other water birds can usually be seen here. Late afternoon transfer to Arusha for dinner and overnight or airport drop off. (***Accommodation can be included upon request at extra cost***)
